

This is a detailed cadastral map of a residential area in Wrocław, Poland. The map shows numerous land parcels, each identified by a unique number and a zoning designation. The parcels are arranged in a grid-like pattern, with some larger parcels and many smaller ones. The zoning designations include RV (Residential), PsV (Public Service), S-RV (Special Residential), and others. The map also shows streets, including Malachowska and Adamo Asnyka, and various landmarks and features. The parcels are numbered in the 2500s, 400s, 500s, and 600s ranges. The map is a black and white line drawing, typical of cadastral maps.
